Emergency Management Institute Virtual Tabletop Exercise Program Fiscal Year 2015

Purpose: Provide the planned dates and scenarios of the Fiscal Year (FY) 15 Virtual Tabletop Exercise (VTTX) program to the Emergency Management Community of Practice, in an effort to promote this innovative training tool that leverages existing technology (video teleconference - VTC) to reach a wider, whole community training audience.

Background: The VTTX is a series of discussion-based Virtual Tabletop Exercises offered monthly by the Emergency Management Institute (EMI). The VTTX program was launched in September of 2012 and in 2013 won the Federal Emergency Management Agency (FEMA) Administrator's Award for Innovation. In FY 13, the VTTX program partnered with 231 community-based groups to train over 3,600 participants through only 24, four-hour training events.

General: EMI conducts a monthly series of VTTX using a video teleconference platform to reach community-based training audiences around the country and provide a virtual forum for disaster training. The VTTX process involves key personnel from the emergency management community of practice reviewing a pre-packaged set of exercise materials then convening for a four-hour tabletop exercise discussing a simulated disaster scenario with a total of 10-15 sites. The event allows the connected sites to assess current plans, policies and procedures while learning from the other connected sites as they provide their perspective and practice facing a similar situation. A standard VTC system is required for participation. There is no cost for this program.

Training Audience: The VTTX is limited to 10-15 remote "Participating" sites per event due to time constraints. The program also allows for some additional "Observation" sites for each event to become familiar with the VTTX process. The VTTX is designed for a community-based group of 12 or more whole community representatives from your local Emergency Management Community of Practice.

Goals: This virtual tabletop exercise will enable the participants to exercise their knowledge, skills, and abilities needed to effectively conduct all-hazards emergency mitigation, response and recovery.

The VTTX program goals include:

- 1) Prepare participants for a designated hazard or disaster affecting their community.
- 2) Enable participants to better coordinate their response operations with counterparts from local governments, other state governments, Federal agencies, private sector organizations, and nongovernmental agencies.
- 3) Allow communities to practice using their VTC technology to test policy, plans and procedures.
- 4) Provide a virtual, experiential education environment to exercise and enhance critical response and recovery tasks.

Exercise Dates: Monthly events and multiple offerings announced via a separate EMI Training Opportunity.

Exercise Location: Hosted from EMI and connected to remote sites via a FEMA video teleconference bridge.

Exercise Length: 4 Hours. Start time is 12:00 P.M. EST and end time is 4:00 P.M. EST.

BULLETIN

FY 15 Dates and Scenarios:

Course Number	Month	Dates	Scenario
V0015	October	7, 8, 9	Cyber
V0023		28, 29, 30	PH #1 Pan Flu
V0002	November	12, 13, 14	Winter Storm
V0013		18, 19, 20	COOP
V0010	December	9, 10, 11	Mass Care
V0031		16, 17, 18	PH #2 TBD
V0001	January	6, 7, 8	Earthquake
V0001		27, 28, 29	Earthquake
V0022	February	3, 4, 5	PH #3 Chemical
V0025		17, 18, 19	Active Shooter
V0005	March	3, 4, 5	Tornado
V0007		24, 25, 26	Flood
V0009	April	7, 8, 9	Hurricane
V0005		28, 29, 30	Tornado
V0032	May	12, 13, 14	PH #4 PH Focus Hurricane
V0009		26, 27, 28	Hurricane
V0023	June	2, 3, 4	PH #5 Pan Flu
V0026		16, 17, 18	Agriculture Incident
V0027	July	7, 8, 9	Long-term Power Outage
V0019		28, 29, 30	Radiological Incident
V0028	August	25, 26, 27	Building Collapse (non-EQ) Focus
V0033	September	1, 2, 3 2	PH #6 Infectious Disease TBD
V0029		8, 9, 10	Short Term Recovery
V0030		15, 16, 17	Long Term Recovery

Note: A separate EMI Training Opportunity will be posted 60 days in advance of each offering above with details for applying for the event. For more program details see the earlier [EMI FY15 Program bulletin](#).

Participation Requirements:

The VTTX will be limited to approximately 10-15 locations per exercise offering. Participants must have an appropriate site equipped with VTC capability (not web-based) that can access the FEMA VTC site (connection information will be provided by EMI). Participating locations will be responsible for local exercise logistics, and should designate an exercise coordinator to implement the logistical requirements for the exercise. In addition, the location must provide a person capable of facilitating the on-site portion of exercise. Electronic copies of the related exercise materials (Exercise and Coordination Facilitation Guide, Situation Manual, agenda, etc.) will be provided in advance by EMI.

For additional program data to include an information paper and frequently asked questions (FAQs), please contact the EMI VTTX Program Manager - Doug Kahn, Training Specialist, Integrated Emergency Management Branch, DHS/FEMA/Emergency Management Institute, 16825 S. Seton Ave., Emmitsburg, MD 21727, Office Phone: 301-447-7645, FAX: 301-447-1006, Email: Douglas.Kahn@fema.dhs.gov
